Dear Code A

I am writing further to our telephone conversation this afternoon and to acknowledge receipt of your letter to Code A dated 6th June, which was received today. Code A is currently on annual leave but I will ensure your letter and request for minutes of your meeting, is brought to his attention on his return.

In the meantime, as discussed, I will arrange for a doctor and nurse to go through your late mother's medical records with you. Unfortunately, the consultant who has agreed to do this is on annual leave next week. I hope to be able to set something up shortly after his return on 24th June.

I will contact you again shortly.

Yours sincerely
