

Code A

Son 12/2
Neurosurgeon.

Thurs 2/9/01

Stroke. ^{my} ~~my~~ 10 2001. very depressed like 1 - Gosport.

→ QAH → assessed → Haslar. (~~no~~ Brain and physical issues.
2 1/2 weeks ~~am~~ swallow reflex, speech slow.
Happy in Hasle makes progress / eating / "positive"

(Sure) → Gwmit (Rehab) Daetalus.
→ cold, nd will care for, colts, etc: Basic care.
trouble with feeding - needed to be held at all times, but not happened.
difficult swallowing not helped with food food on tray

Comments at the time → got dehydrated. Diff views - ~~therap~~ - nursing.
→ still not helping. drop pd in u
? feeding - jump back foot in bed not usual. u
not team working.

(Nursing) attitudes. ??? Not approachable **Code A**
communication ?? poor / meals. Difficult with Phillip Reed.
- expectations. angina PBP stroke.
- left in bed / chair!

* Nasal tube feeling started.
* abdomen with fluids ??? - Bloating / weight / damaged lean / lungs, legs
* → Mini stroke July?
* → diabetes + potassium.

(*) Unkind hurry up, /nd switch rehab on. (Nurse) - Reported
on ward: bowel unblocked @ Gwmit unpleasant to PAT

(*) jills - commanche.
* ~~less~~ * less paralyzed. * lack of attention / communication / Responses /
"has a pad" didn't want to do this.
family → asked to move her, + complete to PAT / Phillip.

uncaring!! → Haslar for a preg. → Gwmit → QAH.

Mommy done @ QAH (Bowel problem). plan → Gwmit. Dr Lord
→ P? Field. 2 1/2 weeks but ~~know~~ with end.

"Not a complain person"

Ash

* someone to see the it nets will let! 

* formal complaint write coming in

Spoke to police October '2001.
with friends

↔ when connection ↔ ~~met~~ ^{Ibn} met Chi - interested to do a good job.
Dec'

→ Hasla name ~~met~~ ↔ downhill:

→ poor nursing care - "communica"

→ net Code A - February - Mrs JAD see list of names.

→ write to GMC. (Doctors). ? with ce notes

→ Asha & nets

→ Complaint
