BIF 30/7

Two from Fri am:

Code A thanks you for your letter but can't read it due to recent eye surgery! Will respond when better. Does have a question though - what are Dr Lord's qualifications - knows that she trained at Ceylon but asks what consultant qualifications she has. (Also, passed on her regards to Dr Reid - noted how upset he was at the briefing - commented how traumatic it must be for him).

Tel call from Mary Brunt's office- Commissioning LD Respite Care mtg 28/8 when you are on leave - are we sending another rep - Diane is there already together with Ann Bullen, Mary, Jackie Charlesworth.
