

Code A

has requested his
father's notes from QAH + GWMH
(Sydney F. Chivers)

Have you got an update for him
as he thinks he should have heard
by now

Subject: RE: Code A

Code A

Have looked into this. Records sent for approval on . Dr Jarrett wanted copies to three other doctors sent 26th Nov. Hence delay + Dr Spice's were lost and have been resent 18/12. We are also obtaining consent from PHT for their records to be released. Sorry for delay but going as quickly as the system will allow. Code A
