CONFIDENTIAL

Mrs. Gladys Richards (deceased) - police interest

I am sure you will recall that Mrs. Richards' daughter, Mrs. McKenzie, asked the police to bring a charge of unlawful killing. Dr. Lord prepared a written report which was sent to Code A at Gosport police station.

Code A has informed us that the case (as per routine) has been forwarded to the Crown Prosecution Service for a decision about whether or not to progress with the charge. He was unable to advise us how long this decision could take, but it could be a lengthy process.

I will obviously let you know when I receive any information.
