**Code A**

- Determine how the treatment given to Mrs Richard's would be acceptable to a 'respectable body of medical experts' (outside the Trust)  
- Bolam theory

- If so no substance in allegations

- cooperate with police, subject to Dr Barton being happy with Dr Lord's statements.

- advise Dr Barton to take advice from her MDU as allegations amount to gross negligence.

- David would certificate & family were fluids.

## Code A

- Determine how the treatment given to Mrs Richard's would be acceptable to a 'respectable body of medical experts' (outside the Trust)
  - Bolam theory
- If so no substance in allegations
- cooperate with police; subject to Dr Barton being happy with Dr Lord's statements.
- advise Dr Barton to take advice from her MDU as allegations amount to gross negligence.
- David would like to see all certificates & also to know if the family were aware of the dangerous fluids.
