say to give her permission for information to be shared with the police.

- * She was aware of Police interest
- * She was still waiting for us to set up a meeting - she had **Code A** have fallen out of **Code A** had not told her SHE was arranging dates for meeting.

* She is unhappy that sister bringing the police action.

* But whilst accepting mother's death & terminal care - still feels she has not had an explanation as to how her mother happened.

* Whatever happened killed her - up & about one minute - do next we are all consigning her to death!

although upset & unhappy she was not blaming G.W.M.H - our conversation was very friendly.
