

Metzard - Fib Note 29-10-83

Tel: call from Sara Barton

Explained reason & focus for police interest / investigation

Sara too is feeling at the end after letter over Metzard / Wilson complaint - difficult to carry on -

* L.H. fax & hard copy medical note to Sara

* Sara view reply with explanation of note & details of other medical personnel involved (2/12 never arrived!)

** Sara suggest that via DCI Burt.
 ● interview her he needs her on the ward to get a feel for the clinical situation.
