Subject: Gosport

Dear all

Thank you very much for meeting this afternoon. Here is a summary of what we have agreed:

- * [Code A](#) will be the case officer and will take case decisions with the assistance of me and in consultation with [Code A](#) where necessary. This will include a decision about whether to put the case into PPC part 2 or part 4. This issue will be resolved at the end of the GMC proceedings.
- * At that stage, I will update my full report to the panel and finalise the panel bundle, the whole of which will also be disclosed to the registrants.
- * We need to start getting a PPC scheduled to follow the GMC proceedings, which are due to finish on 21 August 2009. To allow enough time to serve the registrants, we are looking at a date at the end of September/beginning of October. [Code A](#) will ask the schedulers to list a PPC meeting.
- * The PPC will have a legal assessor to assist them.
- * [Code A](#) will start to arrange a meeting with the Trust to take place prior to the PPC meeting, and immediately after the GMC proceedings (late August/early September). This will enable us to get up to date references and information about the registrants.
- * Investigation markers will not be put against the names of the registrants until they are sent formal notification of the PPC meeting. It was noted that Ms [Code A](#) registration is due to lapse in August 2009. It has been reported to us that she is suffering from a terminal illness and so is unlikely to renew.
- * When notification is sent to the registrants, letters will also be sent to complainants, including the Richards complainants, whose case was closed in 2001.
- * We agreed that it would be inappropriate to give any sort of statement to Comms at present. [Code A](#) will reply to [Code A](#) request for a statement.
- * I will email Sarah Ellson at FFW to ask what sort of contribution the GMC wants re: the transcripts of the inquest.
- * [Code A](#) will ask admin to ensure that anybody who calls FTP with a query about Gosport is put through to him.

Please let me know if I have missed anything, or if there is anything I have got wrong.

Regards

Clare
