**Subject:** Telephone enquiries concerning Gosport Memorial Hospital case

This case is continuing to attract media attention.

In the knowledge that there are likely to be random calls, please do not engage in any discussion or activity (such as checking databases etc) but put the call through to me.

Should I be unavailable, take the caller's name and number and explain that I will call them back.

You can give the caller my name and number as an initial point of contact.

Thanks
