Further to my email on Friday, fyi, the RCN has made the following representation:

 Subject: TRIM: FW: Gosport War Memorial Hospital

Dear [Code A]

Further to my email below, might I ask you to be flexible about the date of the PPC meeting? I will need to read 12 separate bundles before drafting 12 separate responses to the PPC. Even if we are given 28 days, that might be quite hard to fit in. It would be in the Council's interest, as well as the Registrants if I have the chance to make a full response in all cases. Therefore, it would be helpful if you list the PPC on a date well after the letters to Registrants, or refrain from listing it until everything is ready.

I agreed to pass this on. Please factor it in to the scheduling of the meeting, but don't let it dictate when you schedule it for.

Thanks

[Code A]

Following my emails to [Code A] yesterday, can I ask you to set up a two day PPC meeting at Centrium.

The purpose of the meeting is to consider referrrrals relating to nurses at Gosport War Memorial Hospital. The first day is a reading day, the second day is for the panel to deliberate and make decisions and reasons.

We have the names of eight practitioners in this case, but this number may be reduced to six. The working case reference is 12053. As this case is being considered under the 93 rules, I cannot make this request through CMS.

Panel

On 23 July 2009, the three panellists who are due to sit on this case received training about considered cases under the 93 rules.

The only two I remember are: [Code A] The third is a male, lay panel

member. I am afraid I cannot find my records as to who we agreed upon and received the training.

Legal assessor

It has been agreed that on this occasion, a legal assessor should sit with the panel on both days. Can you arrange with First Law to book either **Code A** or **Code A**  
**Code A**

Shorthand writer

While I appreciate that **Code A** is proficient with voice recognition software, it has been agreed that we should have a shorthand writer for the second day.

Time frame

Can you set up the meeting on dates between 22 March (no earlier) - 16 April 2010. Do not feel confined to these days and discuss with me other options.

I have tried to keep the details of this request, but come back to me if you require any further information. It is likely that you will have further questions and I am happy to assist any further.

Thanks,

**Code A**

It's the third one I can't find a record of. He came for a training day on 23 July 2009

Hello

Do you recall that I asked you to set up a PPC last year from July. It was a special meeting and required three panellists to be trained. I had to ask you to put it on hold

One is **Code A** I cannot remember the names of the other two. They are both men and one is sitting as panellist on the McNicholas referral.

Please advise

Thanks
