Elizabeth has worked at Gosport War Memorial continuously since 31<sup>st</sup> January 1996 initially as Health Care Support Worker on Dryad ward and currently as an Enrolled Nurse on Collingwood Stroke Rehabilitation Ward.

Elizabeth works well within the Multi disciplinary team and is conscientious in her approach to her work. Her leadership skills enable her to provide excellent care when she is managing a night shift she is well respected by her colleagues at all levels.

I have managed Elizabeth for the past three years as the ward sister and previously as acting ward sister during this time I have found her to be hard working and of highest integrity, her attendance is good. She is currently up to date with all required competencies, her KSF is due at this time with all development needs met or on going. I have no concerns about her current practice.

In November 2007 Collingwood ward received the Chairman's Award for Excellence Elizabeth was an active member of the team at this time.
