Dear Ms Dawes

Code A

I am writing regarding the above named.

The matter will be brought to the attention of the Council's Preliminary Proceedings Committee (PPC) on 11 and 12 April 2010.

We have written to the above named practitioners and three others today with details of the complaints made against them and have invited them to respond. The members of the PPC will decide what further action, if any, should be taken, with particular regard to whether the matter may justify the removal of the practitioners' names from the register.

May I take this opportunity to thank you and your colleagues at Portsmouth Hospitals NHS Trust for providing references relating to the practitioners's current employment which I am sure will be of assistance to the PPC in its decision making.

You will be informed of the committee's decision in writing by 19 April 2010. Please do not hesitate to contact me on [Code A] if you would like to discuss this matter further.

Yours sincerely

Code A
