Dear Mr Lamb

**Gosport War Memorial Hospital**

In my last letter to you dated 11 January 2010, I promised to update you on our progress with this matter.

I can confirm that our lawyers are currently reviewing the case file and we will be considering this matter at a Preliminary Proceedings Committee panel meeting which will take place sometime between the last week of March and the middle of April 2010. I am unable to confirm the precise date at this time as we are currently scheduling the panellists who will consider the matter.

As I mentioned in my previous correspondence, we have added your name to the list of people who receive regular updates about this case. When further details are available about the case they will be sent to you.

Yours sincerely

Professor Dickon Weir-Hughes  
Chief Executive and Registrar
