Re: Statement made on 27.4.1999 referring to the meeting with Police on the 2.10.1998.

This statement has been sitting in the professional standards department. I have faxed a copy of the statement to the Portsmouth News and Meridian. Results would allege of a journalist confirming this with DCI Williams and telephone call from a retired Sussex Police Officer it now seems that my sister is going to be interviewed. This is a week before final discussions are supposed to be made. If they intended to cuff this case they could not have done a better job. Unfortunately for them I have had a life long interest in law and my sister who has recently retired having had 40 years experience in nursing.
