Dear Ms Ryan

Re: Amendments to Inquests for Gosport War Memorial Hospital

Further to your letter of 21 May, I have prepared new Forms 99 for the seven you returned for alteration. These have been signed by Mr Bradley and are enclosed, together with your photocopies of original entries and the original Forms 99.

Yours sincerely

Dear Val,

Re : amendments to inquests for Gosport War Memorial Hospital

As discussed by telephone today, please find enclosed seven copies of Form 99 for amendment. I have also included photocopies of the original entries and indicated where the main errors occur. Anything minor which we can accept (e.g. Hampshire in the address where it wasn't in the original) is fine and I haven't marked it.

I've made enquiries about the pencil rings on the forms and, by a process of elimination, we think they were probably made by GRO!

If you need to contact me with any queries, please feel free to do so. I work Wednesdays, Thursdays and Fridays in Fareham (Tel : 01329 289195)

Many thanks for your help.

Yours sincerely,
