Dear Val

I was been given your name by one of the assistants involved in the Gosport inquest and understand that you are in charge of organising copies of the recordings.

As you are aware Field Fisher Waterhouse was going to have a shorthand writer at the inquest making notes, but we have now decided to transcribe from the copies of CDs that we receive from you. I would be grateful if you could contact me next week to discuss how this can be best achieved.

I look forward to hearing from you.

Many thanks
