Re: Gosport Inquest

We have been approached by Mrs Margaret Ward whose Mother Norma Windsor died at the Gosport War Memorial Hospital in 2000. Her mother's death was one of the deaths considered by Operation Rochester. We write to request if the Coroner would consider a request from Mrs Margaret Ward that the following information is disclosed:-

- i. Medical records for Mrs Norma Windsor
- ii. Copies of the expert reports obtained by the Police for their investigation
 - a. Professor Black
 - b. Dr Wilcock
 - c. Professor Munday
 - d. Professor Livesey
 - e. Professor Baker (if produced for individual purposes)
 - f. Professor Ford
- iii. Complaints documentation to Portsmouth Health Trust, responses, and records of the complaints meetings held.
- iv. Witness statements:-
 - a. Margaret Ward
 - b. Frederick Ward
 - c. Paul Windsor
 - d. Kevin Windsor
 - e. Collette Lowman
 - f. Sheena Windsor
- v. Correspondence between the Ward/Windsor family and the police.

Mrs Ward has not previously seen any of this documentation. We would therefore be grateful if the Coroner could consider this request for release of this information.

Yours faithfully
