Dear Helen

Re: Gosport War Memorial Hospital

Further to our recent conversation I am looking to confirm arrangements to conclude these Inquests and at this stage I would wish to make a provisional booking for a court room and jury room for six weeks from 18th March 2009.

I would need a Court Usher/Jury Bailiff and I presume the facilities of the Court will be available to those using the Coroners Court.

Can I arrange car parking through you for the duration of the Inquests.

You will appreciate there will be considerable Press interest and considerable interest from the families of the deceased.

Once I have a better idea of numbers I can follow that up.

Many Thanks for your help.

Yours sincerely
