Val,
Mr Bradley has already asked you if the courtroom for the Inquests could be made available for 4 weeks from week commencing 21 October 2008. I think Mr Bradley asked for the courtrom to be available Tuesday to Friday. On reflection, I think it would be advisable to have the courtroom available on Mondays throughout that period as well to give flexibility on timetabling witnesses, hearing of submissions, etc. I've discussed this with Mr Bradley and he agrees.

Therefore, when booking the court and the jury retiring room, please could you ask for it to be available for the **full 4 weeks** ? If this causes the Magistrates any insurmountable difficulty, please could the court people let us have a Crown Court courtroom and jury room for that period instead ? In that event, the Crown Court will have to also provide Mr Bradley with a retiring room for that period.

Thanks very much.
