Dear Glen,

I am now moving towards the Pre-Inquest Hearing on 14 August and have spent quite a considerable amount of time in preparation so far.

I have spent 21 hours 05 mins in preparation and meetings (mainly the former) and I had one journey to Portsmouth solely on this matter.

At £90.80 per hour my bill is now £1961.82

How do you want me to deal with this - as a global figure at the end or in periodic bills?

Let me know and I will do the necessary.

Andrew
