Dear Val

Re: Gosport War Memorial Hospital

I am attaching evidence schedule that was prepared at the Pre-Inquest Hearing and I would be grateful if you could warn the appropriate witnesses.

For 19th April I will need Shelagh Joines and Alan Lavender.

For 20th March I will need Marion Wiles and Lynne Barrett.

I am calling Gillian Hamblin but I will take her evidence separately on 31st March because she is involved with most of the deceased.

On 23rd March I will take Alexander Tuffey.

For 24th and 25th March I have booked Professor Black and he has confirmed his availability.

On 26th March all the relevant evidence will be Rule 37 and it may be preferable to warn Lynne Hamblin initially for that date.

On 27th March I will need Charles Stewart Farthing and Beverley Turnbull.

On 30th March I will need Ian and Neil Wilson who will carry over to the 31st March together with Lynne Hamblin.

For 1st April I will need Carl Jewell and Lynne Barratt, Beverley Turnbull and Anita Turbitt.

On 2nd April I will need Victoria Packman and Beverley Turnbull.

For 3rd April I will need Ann Reeves, Dr Richard Reid, Anita Turbitt and Lynne Barratt and they will carry over to 8th April if necessary. Dr Wilcock is giving his evidence on 6th and 7th April and he has confirmed his availability for that.

On 9th April I will need Dr Richard Reid and on 9th April I will need Pauline Gregory and Dr Richard Reid.

On 14th April I will take Dr Barton for as long as it takes.

I am enclosing a copy of the witness list from which the names and addresses are available and I would be grateful if you could do the appropriate warnings.

Please let me know if there is any problems.

Yours sincerely

AM Bradley
HM Coroner
