Dear Mr Bradley

**Gosport Inquests**

I refer to my letter of 27 January and look forward to hearing from you as soon as possible. I am due to go through the evidence with Dr Ian Reid very shortly and will be grateful for your confirmation as to the patients where you believe he is involved.

I understand from my client that you are considering an additional inquest for another patient. I understand that if a further inquest is to be set down this will not be added to the current list of 10 enquiries but would go by way of a separate hearing. Is this correct?

As I am sure you can appreciate that would be quite difficult for my client and I would be grateful if you could let me have your view on this and what you are thinking in respect of any potential additional inquests. It was my understanding that you determined at the original pre-inquest hearing that there would be no additional inquests added to the list. You will of course appreciate that my client has been proceeding on that basis.

Of course if I can assist in any way or you would like to discuss any of these issues then you must not hesitate to contact me.

Kind regards

Yours sincerely
