26<sup>th</sup> January 2009

Dear Ms Green

**Re: Gosport War Memorial Hospital**

Thank you for your letter of 20<sup>th</sup> January. Hopefully all witnesses will have been warned by now. That is being undertaken through the Portsmouth's Coroners Office.

I am sorry to note that Jill Hamblin has serious health problems and I would be grateful if you could keep me in touch.

Yours sincerely

AM Bradley  
HM Coroner NE Hampshire
