Dear Chris

I was delighted to meet you on Monday and I am enclosing a copy of the Pre-Inquest Direction and record of proceedings.

Copies of these have been served on everyone I can think of.

I did try to make contact with the Crown Court in Portsmouth but the girl I need to speak to was not there. I will make an arrangement to see her at some point and subject to my conversation with her it may be helpful for us both to meet with her to look at the Court facilities.

At some point I will need to generate a court bundle but perhaps I will leave that until I am feeling a bit stronger.

Yours sincerely

AM Bradley
HM Coroner
