Dear Dr Wilcock,

Gosport War Memorial Hospital

I am charged with concluding ten Inquests arising out of deaths at Gosport War Memorial Hospital and I have listed the matter for hearing in Portsmouth Combined Court Centre starting on 18 March next.

Your evidence is clearly germane to the case and I need to know when you would be able to attend to give evidence. I anticipate you will be needed for two days and so far the only fixture I have is for Professor Black who is scheduled for 24 and 25 March.

Please can you let me have your availability for two consecutive days after 18 March and before mid April when you could be at Portsmouth to do that. Please let me know if you need a summons to attend.

It may be helpful if you could give me a ring on the basis we have not made contact yet and I am not sure if you are aware of the present position.

Yours
