Dear Roy,

I have had a rather irate (aren't they all) Mr Wilson on the phone because he has not had his disclosure. I thought Blake Laphorne were doing all that but it seems that is not quite right. He is in Gosport and I wonder if you could give him a ring to see if we can get disclosure to him. Failing that I will get a bundle or three to him. He is a taxi driver so he certainly could cloect from you.

His number

Sorry to lumber you with this. Give me a ring if we can't do it.
