Subject: Subject Access request - Gosport War Memorial Hospital enquiry

Fao Val Maddison:

I left a message on your answer phone on Thursday but am following it up with an e-mail as requested by your colleague.

I've received a subject access request from the next of kin of one of the patients under review in the Gosport War Memorial Hospital inquiry, for which I believe Andrew Bradley is the Coroner responsible. I have been told that it is most likely that the casenotes are with him or possibly the police.

This request is under the Access to Health Records Act for a copy of all records of the patient's admission to Haslar Hospital from 08-08-1998 to 18-08-1998, and of her subsequent admission to Gosport War Memorial Hospital from 18-08-1998 to her death on 21-08-1998. In order for me to comply with legal time limits I need to have copies of these records and authorisation for their disclosure by 26th September.

As this e-mail is not encrypted I will send the demographic details of the patient by separate e-mail to protect confidentiality.

With best wishes
