Dear Dr Black

Re: Gosport War Memorial Hospital

Further to my telephone conversation with your secretary I can confirm that the provisional dates that I had listed for October and November this year have been vacated because nobody considers that they will be ready for a Hearing at that stage.

The matter is now provisionally listed for 18th March 2009 for a period of six weeks and I would therefore hope to take your evidence on March 24th and 25th with maybe a provision for 26th March subject to your availability.

Could you please check and confirm that these dates are convenient to you or let me have alternatives.

Yours sincerely

A M Bradley
