Or attenders even. Aren't attendees those that are attended upon? And what is a 'firm estimate' Now I know it's Friday and all that but really!

I will send notices out on Monday and let you know when I have responses.

Have a good weekend. Hope you are fully recovered

Provided there aren't more than 2 dozen people, it's simple. Andrew can use the new Guildhall courtroom for this meeting and we won't use it for Inquests that day. Otherwise, we'll have to book a larger Guildhall meeting room - which we need to do as far as possible in advance - or failing that the Coroners Court in the Magistrates Courts. Hence, it's important to have a firm estimate of the number of attendees fairly quickly, please.

Dear Val,

I have provisionally set aside 14 August for a PIH on this and discussed with David the availability of court facilities. The hearing will be in private because it is the PIH and I estimate there should be no more than 20 people attending. I will send out a Notice of Hearing with a circulation list in the hope we may consolidate representation in some way to make it more manageable.

Can you confirm there is a suitable room available for 14 August from 9.30 probably for half a day with an option for the afternoon if necessary and where it will be.

I will then send out notice to the interested persons and will let you have a copy. Will you have an office that could assist me for that hearing. I will make arrangements to have someone for the final hearing unless anyone has an overwhelming urge....

I do not have a postal address for Supt David Williams or for Des Stephenson - do you?

And then we can light blue touchpaper and retire!

Hope all is well.

Andrew
