Mr Bradley

I noticed a very swift exit this morning, very wise. This is the spreadsheet that we could use, I think it is OK as it stands, all the facts have come from the medical notes.

Dr's Ford and Mundy are experts that were used in a previous investigation, I don't believe that you have seen them before as they did not form part of the last investigation nor were they included in the last submission of case papers to CPS. I will be disclosing them to Mr Wilson and Stewart-Farthings rep tomorrow and will forward them to you in due course. They are quite critical of the prescribing/administration regime

Regards

Roy Stephenson
