Dear Mr Bradley

General Medical Council – Dr Barton

Thank you for your letter dated 26 February 2009.

I will be contacting the parties indicated in your letter to determine the most cost effective way of preparing the transcripts from the recordings of the Inquest. It would be helpful if you could let me know on what format the recordings will be, and also whether there is a particular transcription team that your office would normally instruct to undertake this work, or have instructed in the past.

I would be extremely grateful if you could contact me with these details at your earliest convenience.

Yours sincerely
