Dear Sirs

Re: Gosport Inquest

We write to make an urgent request for the Coroner's assistance.

At the hearing yesterday, we were approached by the families of Ruby Lake (deceased) and Robert Wilson (deceased) requesting representation.

We are in communications with Mr Baker at the Legal Services Commission. We do see significant advantage to the enquiry process if all six families who are attending, have the same representatives.

We would like respectfully to request that the Coroner indicates his view to Mr Baker at the Legal Services Commission. Naturally, we are asking them to deal with this request as a matter of urgency.

We look forward to hearing from you.

Kind regards.

Yours faithfully
