Dear Val et al,

I hope to finish the evidence tomorrow with speeches on Thursday although the court is closing at 1.00 for Easter. I will then sum up and send the Jury out Tuesday/Wednesday and the JR should be listed for late June! (I jest - I hope)

Could I have draft Inquisitions for all ten cases please showing the ID, no cause of death and 'See attached' in boxes 3 & 4 and I will do a narrative verdict to be attached to the Inquisition.

Thanks,

Andrew
