Dear Sir/Madam

Everything in Court is recorded on disc, should you require a copy of the disc or, a transcript, please write to the Coroner's Clerk at The Guildhall, Guildhall Square, Portsmouth, PO1 2AJ stating your relationship with the deceased and reason for this report. There is a fee for this service. A copy of the disc is £10 per disc. A transcript is charged by the word, approximately £40 upwards per half an hour's inquest time.

These discs and any transcription prepared from them are not the official transcript of the inquest for legal purposes. If an official transcript is required for such purposes, it must be requested from The Coroner who will supply one at the prescribed rate of charges.

Yours Sincerely,
