Dear Mr Horsley

I am entirely content that the matter is of course for you to determine. I do though take note of what Mr Knowles has to say, and am conscious that Professor Ferner has already been accommodated with a change in the date of his attendance from that originally proposed.

With kind regards

Ian Barker

I have no objection to Prof Ferner being the first witness on 10 April, provided there are no objections from the other interested persons.
Please note that the Inquest hearing on 10 April will start at 11.00 instead of 10.00 due to non-availability of the hearing loop equipment until that time. On every other scheduled day, the equipment will be available to allow a 10.00 start.

Dear Sirs

Re Richards dec - exhibits/ inquest arrangements

We would like to request that on Wednesday 10 April 2013 that Professor Ferner gives his evidence first or at least early that day if possible. This is because he has an outpatient clinic to attend in Birmingham the following day and he will need to get back for that. Please can you confirm if that will be satisfactory.

Also, please find attached :-

- AF/1/C/63 - Food Record Chart
- LH/4 - Dr Lord's Report which we have copied so that Mrs Mackenzie's comments have been removed

The only documents that remain unlocated are therefore:

- LFL/2 - Lesley Lack Handwritten notes
- LFL/2a - Additional unnumbered page
- LH/2 - Risk Event Record (although we cannot see reference to this in her statement.

We have asked Mrs Lack if she can provide copies of her handwritten notes and also we have updated the spreadsheet of exhibits.

I look forward to hearing from you.

Best wishes

Yours faithfully

John C White
