Hi Lisa - thank you for arranging for one set of papers to be made available to me in relation to the above inquest. Having considered these and having discussed with my client, it is not our intention to seek PIP status. I will be in attendance on the first day of the inquest by way of watching brief only and thereafter it is likely that a representative from either my office or the PCT will attend again by way watching brief only. My apologies for not getting back to you before now with this confirmation – I should be most grateful however if you could let HMC know and also pass on my thanks to HMC for giving me the opportunity to consider my client's position.
