RECEIVED 1 & FEB 2013 BY H.M CORONER

Coroner Room T20 The Guildhall The Guildhall Square Portsmouth Hampshire PO1 2AJ

For the attention of David Horsley

14 February 2013

Dear Sirs

Our Client Mrs Gladys Mabel Richards (deceased)

Thank you for your letters dated 30 January and 5 February 2013 (two). We have forwarded these to Mrs McKenzie to advise her.

We write with regard to a separate matter which concerns her witness statement, which is included within the inquest papers. We noted, however, that there were no exhibits attached to the statement. We have therefore attempted to reconstruct this.

We enclose copies of:

- 1. Witness statement with exhibits;
- 2. Haslar Hospital records.

In relation to the Haslar records, we assume that this issue is rather more straightforward. We are instructed to request that the Haslar Hospital records are included within the inquest documentation. Please can you confirm that it is permitted.

In relation to the exhibits, in front of these we have included a table, copy attached also to this letter for ease of reference. There are four items which are missing which we have been unable to locate from our own records. We wondered if the Coroner is in possession of these and if he could provide copies.

Please can the Coroner also consider whether all the exhibits to Mrs McKenzie's statement may be included as inquest documents, bearing in mind they are referred to in her inquest statement.

We look forward to hearing from you. Should you have any questions concerning this letter, please ask to speak to John White.
