Subject: Your Client : Dr A Lord - Inquest : Gladys Richards

Dear Madam,

I refer to your letter dated 10 December 2012.

I am aware that Dr Lord has been living in New Zealand for some time. Consequently, I intend to deal with her evidence for the Gladys Richards Inquest in an identical way to her evidence in other Inquests since she left this country - by admitting her written statement under Rule 37 of the Coroners Rules.

Dear Sir

Gladys Richards - Inquest

I have been passed a copy of your letter dated 15 November together with a copy of the proposed witness list. I have also been provided with a copy of your subsequent email of 12 November 2012 notifying the parties that the Inquest has had to be adjourned due to problems with the proposed hearing venue.

I note from the witness list that you propose calling Dr Althea Lord, for whom we act having been instructed by the Medical Protection Society.

As you may or may not be aware Dr Lord is now residing and working in New Zealand. In the circumstances I would be grateful if you could let me know whether it is proposed that her evidence be given by video link.

In any event we would be grateful if you could please let us know what arrangements, if any, have been put in place for Dr Lord to give evidence at the Inquest so that we may then liaise with Dr Lord accordingly.
