Good Morning Lisa,

Further to your query we have ascertained that Michael Edmonson left the RAF in 2008. It appears his last Unit was Haslar, but we do not have an address for him or any contact details.

I am sorry that we have not been able to provide more information for you, but hopefully this detail will enable the Coroner to make a decision on whether to read his statement at Inquest under Rule 37.

Jenny and Kate,

Could you please trace the Flt Lt listed in the request below and provide me with his contact details so that I can forward to the Portsmouth Coroner.

I have clarified that there is no connection with the MOD other than the flt Lt ended up treating a civilian, and that his actions are not in question. As such there is no other DIU 'interest' in this matter save obtaining contact details for the Coroner.

Hi Tracey

As per your conversation with Karen, she has asked me to drop you a line with the details that were given to Steve Corbidge (Karen said that you said that Steve would probably pass this to you anyway)? Hope you don't mind?

The person we are trying to chase is in the RAF and is Flight Lieutenant Michael EDMONSON who, at the time of Mrs Richards death, was stationed at Royal Hospital Haslar, Gosport who was nursing officer in charge of Ward 3.

On his statement (which was taken 07/07/2000 he is showing as being based Aeromedical Evacuation Flight, Airport Unit, Hanover)

The Coroner has stated that if he is untraceable he will have to consider reading his evidence under Rule 37, but he requested we try and find him first?

Kind Regards
