1. I am a Health Care Support Worker employed by Portsmouth Hospitals NHS Trust at Gosport War Memorial Hospital. I have worked in this capacity for 5 years. Prior to that I worked as a Health Care Assistant at Glen Heathers Nursing and Residential Home in Lee on Solent for ten months. In August 1998 I worked in Daedalus Ward as I do at the present time. Daedalus Ward provides continuing care and slow stream stroke rehabilitation for frail elderly patients. In August 1998 Daedalus Ward comprised eight single bed rooms and four 4-bed rooms i.e. capacity for 24 patients in total, as it does today. My duties as a Health Care Support Worker are to assist in the general care of patients, washing, dressing and feeding. My role is to assist the qualified nursing staff who supervise me. As a Health Care Support Worker I do not make decisions as to how a patient is nursed. I am not involved in decisions concerning medication or the provision of subcutaneous fluids. If I identify any problem with a patient's care I refer to qualified nursing staff.

2. I have checked the on-duty rota for August 1998. My duties between 11 August 1998
