Mr White,

I have been contacted by the legal representatives of the other interested persons regarding what your client intends to present to me as evidence at the Inquest.

Within the parameters I have set for the Inquest, most recently restated on 13 March this year, I have scheduled a half day for Mrs Mackenzie to put her evidence to me and am content for her to do that in any way she wishes - so long as she keeps within the limits of the scope of the Inquest.

It would be most helpful if there is a final version of what she wishes to say to me together with any documents she wishes to refer to (bearing in mind the scope I have set for the Inquest) that could be circulated to me and to the other interested persons at the earliest opportunity.

Similarly, if there is to be no written form to her testimony, please could that be confirmed to everyone ?
