Dear Mr Knowles

Re: Inquest Mrs Gladys Richards

Due to a change in the circumstances, it has been necessary to postpone the start of the Inquest. Consequently, your client will not be required to attend the Inquest in accordance with the witness summons dated 7th November 2012.

Your client will still be required to attend the Inquest as a witness when a new date has been fixed for the hearing and a fresh summons will be sent to your client at that stage. My office will endeavour to give your client as much notice as possible about when she will have to attend.

Please accept my apologies for any inconvenience caused by this postponement.

Yours Faithfully

Mrs D C Horsley
HM Coroner
Portsmouth and South East Hampshire
