Hi Mary

Received the 2 documents today. Have you actually had a written response from the Coroner to Richard's letter yet please and/or the "bundle of documents".

Dear All

I apologise for the cancellation of today's meeting, but as there were several people who could not attend, it seemed sensible to cancel this one in the hope that the Coroner will have sent his 'bundle of documents' before 10th October, enabling us to have a more productive meeting then. I also recognize how busy everyone is, and now that we know the Inquest is not until 9th March, time is not quite so
