No we knew absolutely nothing about it. At our last meeting with hampshire PCT (before the Coroner's meeting with the family), we agreed to write to the Coroner as a group to let him know our interest and seek further details about when the pre-Inquest hearing was going to be etc. I presume that that letter will be going shortly and probably will now refer to the meeting that we weren't invited to and perhaps asking why. Maybe the Coroner intends to hold a separate meeting with us, although to date, we have had no communication from him at all.

Sue/Patricia

Did the Trust get an invitation to this meeting - or did the coroner invite any clinicians directly.

Ian and Co. - in future if any of you receive any direct communication could you please email me, Sue and Patricia so that we are all kept fully in the loop.

Best wishes

Lesley
