Subject: GWMH CHI recommendations

Dear All

I attach a checklist of the CHI recommendations made in 2002 at the end of its enquiry into events at Gosport War Memorial Hospital, item 4.6 on the Action List arising from the Steering Group meeting on 7th August.

I would be grateful if you could arrange for the relevant parts for your Trust to be completed, and returned to me.

Bearing in mind there may be a pre-inquest meeting with the Coroner in a month's time, I think it is important that each organisation completes this exercise by the next meeting on 5th September at the latest. I would like to pull together another sheet showing all organisations' responses, which should highlight any areas where we collectively fall short (hopefully none!) for discussion at that meeting, so **it would be very helpful to receive it back by 1st September**.

I look forward to hearing from you.

Regards
