Hi Patricia

Could you just update me please. Not sure what contact you have had with Hampshire PCT re Terms of Ref, liability/transfer documents, CHI action plans etc. Also, do you want our steering group to meet before the next Group meeting in Eastleigh or not?

Hi Sue

I'll send you both a copy of my email to Elaine about staff involved. Yes I assume point 4 means PHT steering group and yes our existing group will suffice. Yes I will review CHI action plans and will check to see if I have any other relevant documents in my possession. I've also got a key personal link who might be able to tell me what happened to key documents and succession papers when PHCT was disbanded.

Best wishes

Lesley

Hi Lesley

Presumably you have seen the Action Notes of the meeting in Eastleigh. Ref the second action on the Phase 1 list, we have I believe four doctors - Logan, Tandy, Reid and Ravindrane and there is Dr Lord in New Zealand. Re managerial staff, there is you of course, but are there any others?

Ref action 4 on the same list, I don't quite recall this action - is it intended that we form our own PHT steering group? If so, are you happy with membership the same as our first meeting ie you, me, Pat Forsyth, Patricia Radway, Ann Dowd, Kim Bezzant. Anyone else? Perhaps Jackie Haines but we can consider this nearer our next meeting when we have a rough idea of agenda and whether or not the liability documentation has been found.
