Sorry Lisa - another question about this - have the Police given Mr Bradley all the original medical records for the 10 patients involved please?

Thanks

Hi Lisa

Would you be able to let me have the contact details and phone number of the Police department that has been dealing with these cases please.

Also, I would be grateful if you could say to Mr Bradley that we would very much appreciate it I could be the contact point for the Trust about the arrangements for the pre-Inquest hearing that he plans to hold in August.

Thanks very much.
