Hi Lesley

Could you tell me if there was ever anything on paper (ie Agreements/Contracts) about PHT taking over DMOP in October 2006 which would include any terms and conditions about responsibilities etc. I know that we took over all outstanding claims and complaints and presumably any other liabilities which would include the GWMH Inquests but Jacquie Haines has advised that I should check what is says in any documentation/agreements made at the time just for the sake of completeness.

Thanks very much.
