Subject: RE: Gosport War Memorial Hospital Coronors- Meeting to discuss way forward

Dear All

Eastleigh Borough Council have advised there will be major road works commencing 30 June which will probably affect your journey to Omega House for the meeting on 7 July.

I have therefore attached details of the main diversion route from the M27 which I hope will be of assistance.

Importance: High

Dear All

Further to recent communications with either yourselves or your secretaries/PA's, as requested by Richard Samuel, Director of Corporate Affairs, Hampshire PCT, I confirm that I have arranged a meeting to discuss the above as follows:

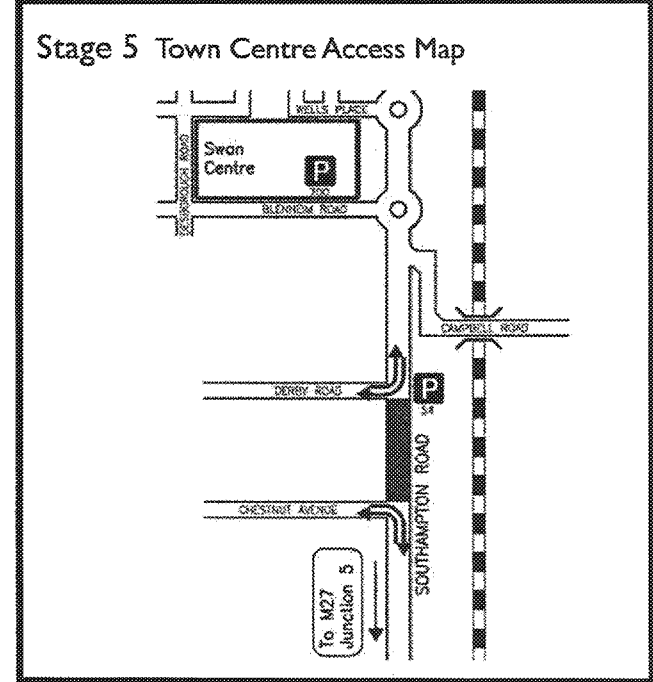

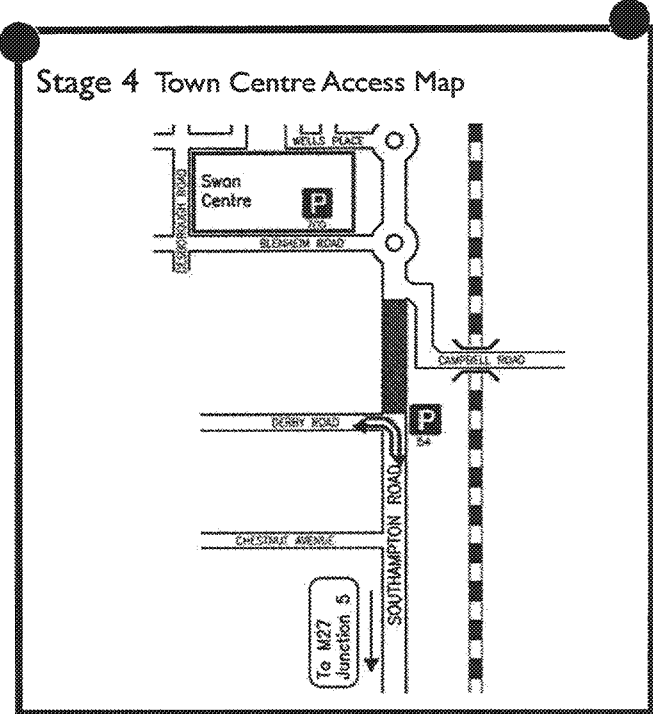

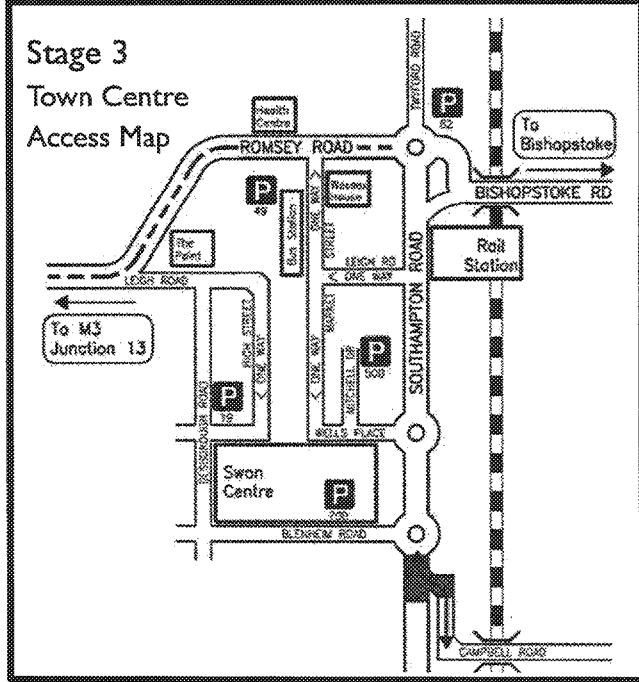

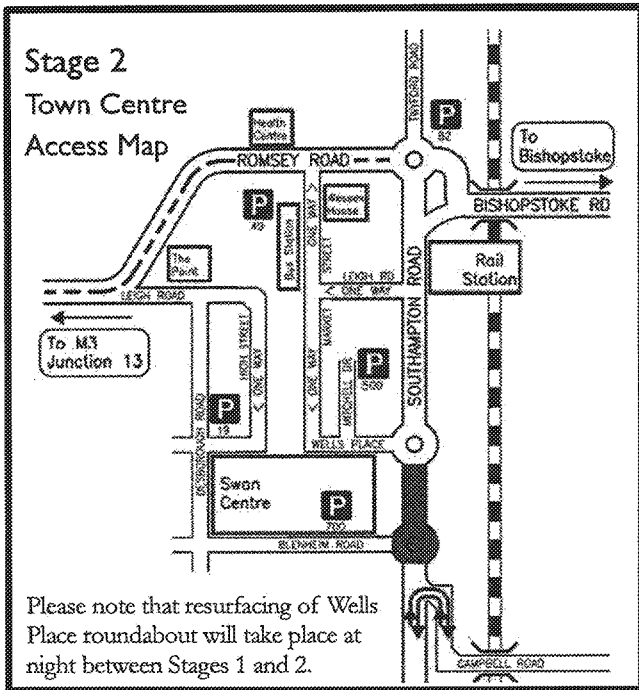

Monday 7 July 2008 12.30pm – 2.00pm Board Room, First Floor, Omega House (Hampshire PCT HQ)

I have attached directions to Omega House for your information. On arrival could you please report in to Reception who will inform me of your arrival.

I would greatly appreciate it if you could confirm attendance. Thank you.

Justina Jeffs, Rob Dalton and Andy Clapper – I apologise that I could not arrange this meeting on a date convenient for you all.

Roadworks in Southampton Road Eastleigh

A335 Eastleigh
Major Maintenance Scheme
www.hants.gov.uk/transport

**Eastleigh
Town Centre
open for
Business**

**Hampshire
County Council**

Engineering Consultancy, Environment Department,
The Castle, Winchester, SO23 8UD

About the scheme

Hampshire County Council is to undertake major carriageway and footway works along Southampton Road between the Romsey Road roundabout and Chestnut Avenue.

Work is programmed to start on 30 June and is expected to be completed by November.

The works will be split into a number of stages to help reduce disruption. These are shown in the Town Centre Access Maps. The work stages will be carried out in order starting with Stage 1 and ending with Stage 5.

Town Centre Access

The proposed works require Southampton Road to be closed to through traffic due to the narrow width of the carriageway and for Health & Safety reasons.

Only one work stage will be closed to through traffic at any one time. The current work stage will be shown on the webpage. Access will be maintained at all times to all parts of Southampton Road for pedestrians and traffic, including emergency vehicles, except where works are taking place.

The Town Centre Access Maps show access points for road users to the Town Centre, shops and car parks at each work stage of the scheme.

During some stages of the works, normal bus services will be unable to use Derby Road. At these times a shuttle bus service will be provided along Derby Road to the Bus Station from Monday to Saturday, 7am to 7pm.

More Information

Letter: Please use the address on the front of the leaflet.

Main Diversion Route

A map of the signed temporary diversion route is shown below. The route runs via Romsey Road, Leigh Road, Passfield Avenue and Stoneham Lane to M27 junction 5. Motorists on the M27 and M3 will be advised to use M3 junctions 12 and 13 for Eastleigh town centre.

Town Centre Access Maps

All roads will remain open to through traffic during the daytime except those shown in red. In addition temporary access will be provided through closures, shown by the blue lines.
